

Lakeside Golf Club Newsletter *January 2012*

MANAGEMENT'S MESSAGE

“Continuous Improvement to our Club and its Services”

Well we have crossed the date line into 2012, Happy New Year to everyone. That means we have begun the 2012 golf season.....well theoretically we have.

As we move closer to spring we will once again prepare the course and our staff for what we hope to be a great year. Conditions on the course were excellent last year and it is our hopes to enter the year in similar fashion. Let's hope for a warm spring so that the grass will initiate and we will get a strong start to 2012.

As mentioned in last month's article, we are swinging away down here in Mesa, Arizona! All members of Lakeside Golf Club will be offered special rates here at Las Sendas Golf Club. You must show your Lakeside membership/handicap card, or make arrangements by calling me in advance. We would be happy to have you join us anytime through the winter months. Our member activities go on weekly, Mens Night is Wednesday and Ladies Night on Thursday. You are all welcome to join in. Weekly, we have at least 20 to 30 Lakeside members playing so it definitely feels like home.

Mean while stay warm, stay off the ice and welcome to 2012, let's hope this is the best year yet!

Happy New Year Everyone!

Respectfully,
Lloyd McBean C.P.G.A.
Director of Golf / Managing Partner

THE PRO SHOP

Happy New Year!!!

I would like to take this opportunity to wish everyone a safe and prosperous 2012....wow, 2012, time just keeps flying by. I hope you had some great times over the Christmas holidays with your family and friends.

I remember thinking a couple of years ago, “I can't believe all of the people that go to Hawaii, Vegas or Florida for Christmas.” But, after experiencing the last couple of Christmas's with a small budding family and various family members that are scattered throughout Southern Alberta, I totally understand now. Busy-busy time, lots of driving. Next year; either we host or we might just be on that flight with you to Hawaii or somewhere warm.

Pro Shop

It was nice to see a lot of members come by the pro shop for our December Christmas Sale. For those of you who came; I hope you enjoyed the deals as well as the special libations that were offered.

The pro shop will be closed from January 3rd – 13th. I will be headed down to Phoenix for some team building and maybe a round or two at Las Sendas. I look forward to seeing some familiar faces down there. You can still get a hold of me through email

troy.prusky@lakesidegreens.com

Know of any interested applicants?

With the season of 2012 fast approaching; I start to focus on the different positions that need to be filled within Golf Operations. Analysts have

started to fear of labour shortages, which might bring some challenges.

If you do know of any individuals that you think might be an asset to join our team at Lakeside Golf Club; please have them forward me a resume or an information sheet that has some background information about school, sports, hobbies and contact information.

Would you like any Logo'd or Personalized Balls?

I wanted to inform you all that if you were interested in ordering some "Personalized" Titleist or Callaway, balls for the upcoming year, the offer does expire at the end of January. Also, we have great pricing on all logo'd balls and merchandise. If you are interested in

receiving a quote or just want to have a look at our flyer; let me know and I can forward that to you.

Sing it with me....

"Its..The Most... Won-der-ful time...of the year!" For all of you sports fans - it just doesn't get any better than hanging around with family, eating good food (sometimes junk food), drinking tasty libations and watching continuous sports on a big HD TV. Everywhere you turn; there's a hockey game or Bowl games and of course the NFL playoffs are on, even the NBA has started now.

My wife doesn't like it much, but for the record...**I do!!**

Head Assistant Professional**

CHEF'S TABLE

Greetings from the Grille,

2011 has passed us by and it's time to look forward.

We are looking forward to the coming season of golf. It's really not that far away, I am working on a new menu that incorporates all the classics as well as some tasty new treats that I am sure you will find very appetizing.

Make sure you book now for Valentines as we are expecting a full house.

That's it for me and,
**Happy Grilling
Chef Bill**

Bogey's

Happy New Year from Food and Beverage, I'm scrambling to have this message out to everyone, only an hour and a half past my deadline. That's what happens when I take a full day off, on to the more interesting stuff.

New Year's Eve was a success , we had just short of 180 guests attend. As far as I could tell everyone had a good time, interestingly I had a number of non-members tell me they were impressed by our efforts, and will attend future functions.

During the month of January we are planning on having a wine tasting, this will be your chance to help us pick our new selections. We will inform everyone by e-mail before the event. The other thought

is a wine dinner at which we will pair wines with three or four courses. I should be meeting with Don Bryant from Freehouse Wine and Spirits about these events shortly. We will inform everyone by e-mail before the event.

I would like to let you all know why our Draught Beer selection is not the same as the Summer months. At season's end we had close to full kegs of almost all our selections. As you are aware the level business drops in the off season, this makes it very hard to maintain turnover of product. The brands we carry are not available in Pony kegs, Draught Beer is unpasteurized, therefore has a short shelf life. Bottom line is we end up not selling enough to warrant carrying it in the winter months. Stay tuned for info on Valentine's Day.

Thanks to one and all for your support,
Martin Brice
Food & Beverage Manager

MAINTENANCE

As I write this newsletter I am looking outside at the ocean and listening to the Mexican music. Pretty tough job but somebody has to do it.

I hope everyone had a great Christmas and New Year and I hope you're enjoying January as much as we are down here. This is going to be a short newsletter as I do not want to seem like I'm bragging about where I am, also the keyboard down here is totally different and its taking me forever to figure it out.

I hope to see everyone in the New Year and I will have more to add next month. P.S., Troy, I am sorry to see your Cowboys are looking in from the outside again.

Blair Magwood
Golf Course Superintendent
